## RDFC Fee Schedule 2010 / 2011

<b>Sep – Dec &amp; Jan - Apr</b>	<b>(once per week)</b>	<b>(twice per week)</b>	<b>(three times)</b>
· Semester	\$250.00	\$350.00	\$375.00
· Month	\$100.00	\$140.00	\$150.00

  

<b>May &amp; June term</b>	<b>(once per week)</b>	<b>(twice per week)</b>	<b>(three times)</b>
· half semester	\$125.00	\$175.00	\$185.00

Season runs from the beginning of September to the end of April.

Semesters run from 1<sup>st</sup> September to December  
2<sup>nd</sup> January to April.  
3<sup>rd</sup> May to June

**Monthly Fees:** are only offered under special circumstances, when a student is permitted to enroll in a class part way through the season. Instead of paying the full semester dues, fees are calculated according to the monthly rate, and time remaining in the semester. This is only permitted on a case by case basis.

**REFUND POLICY:** Due to the fact that we limit class sizes, we do not permit advance registration without payment. Additionally once we have sold a berth to a student, our policy is to not provide a refund. Please feel free to make any such requests, as they will then be dealt with on a case by case basis. Be prepared to forfeit a portion of the initial fee, in the case where a refund occurs.

**Provincial & National Membership Fees:** All members must have an Alberta Provincial Association membership, as well as Canadian Fencing Federation membership. Those fencers who wish to compete at Provincial circuit, or National events, must possess a competitive level membership. Those who will fence at the recreational level only, can purchase the non-competitive membership. The costs for these have been blended, and are indicated below. These fees must be paid in addition to club fees. They will be collected by the club and forwarded to the Federation. All members may upgrade their membership category, by paying the extra, or difference, in fee at any time.

- Competitive membership \$55.00
- Non-competitive membership \$20.00

### Equipment:

All members will be required to purchase their own fencing equipment as determined by the following list. This will be the minimum required equipment expected of our club members.

- First year fencing glove + body wire
- Second year weapon (electric)
- Third year mask
- Fourth year jacket
- Fifth year breeches

**Competitive members** must purchase their complete set of equipment immediately as club equipment is not available for competition use. All members are encouraged, and competitive members are required, to help out with set-up and tear-down for all fencing tournaments hosted by RDFC, and participate in all fundraising initiatives.
